INTRODUCTION

Are you able to explain and defend your faith and moral principles? These seminars will help prepare you for that challenge, which all will face in college.

To be well grounded in faith and character, young men need to be convinced and articulate about

“Where They Stand” on the most important life questions; such as, belief in God and His plan for our life, the revelation of Christ and the true Church, the afterlife, moral absolutes, the meaning of sexuality, faith and reason, what is a good life.

We will discuss these and other topics in 9 sessions over 9 months.

Mentors - retired educators and executives - will be on hand to guide and encourage students in their personal growth, helping them set future goals and strive to become Catholic gentlemen.
